Sun Vista RV Resort

It is with great pleasure that we, the Board of Directors of the Arizona Association of RV Parks and Campgrounds, extend to your park, your staff, and your owners our sincerest congratulations on being selected by Good Sam to receive its highest award: The Top 300 Parks in the Nation.

The fact that your park has achieved the highest rating for your industry standards is very commendable. Your Good Sam rating of 9.5/10/10 is one of eight parks in Arizona.

Congratulations! We are proud of you. We hope that other parks and campgrounds will visit you and try to achieve what you have managed to accomplish. We wish you the best and keep up the good works.

Sincerely yours,

Jo Ann Mickelson
